Additional Benefits

Beyond a variety of health management features, Labette Health's portal provides:

SHARED ACCESS
You can grant access to your portal to trusted individuals, such as family members, and can specify which types of information they can see.

SECURITY
The portal is encrypted, rewrites URLs, and times out after inactivity, making it safe to use on personal or public devices.

INTEGRATION
All of the information in the portal comes from your Labette Health Electronic Health Record to ensure you have accurate, up-to-date information.

SUPPORT
Each portal page includes "Contact Us" and "Learn More" sections to get help with your technical questions.

Labette Health
We Center Around You.
